This year's Centennial celebration welcomes all who have ever called themselves a Holy Name nurse and their guests. Whether you serve at Holy Name Medical Center, train nursing students at our School of Nursing, or graduated from our School of Nursing, this milestone honors your place in a century-long tradition of compassion, skill, and commitment to care.

For 100 years, Holy Name nurses have been at the heart of our mission, and during this once-in-a-lifetime gathering we will honor every nurse whose service has carried our legacy forward.
